

STUSTAINABILITY FUND FOR Truman Heartland Community Foundation

The Sustainability Fund for Truman Heartland Community Foundation is our permanent endowment, which provides operational support for us to build a better community far into the future.

Lead the Way to Sustainability

A fully-funded Sustainability Fund will provide Truman Heartland with \$300,000 in annual support for Foundation operations. This will offset the operational burden currently covered by our Undesignated Endowment Fund and the Toast to Our Towns Gala, this will afford Truman Heartland to award more grants through our annual competitive grants program and make a greater impact in our communities.

With a stated milestone goal of raising \$500,000 by December 2020, and an overall goal of \$6 million, we invite you to lead the way to sustainability. Your gift will provide long-term stability for the mission and impact of Truman Heartland Community Foundation.

3 WAYS TO SUPPORT THE SUSTAINABILITY FUND

- 1 Use your Qualified Charitable Distribution to satisfy your IRA and Required Minimum Distribution (RMD)
- 2 Name the Sustainability Fund in your Charitable Legacy Plans
- 3 Make a grant from your Donor Advised Fund
