## Chairman Letter

*Stories are Stronger Here*

Stories are powerful. One person’s story can transform the way we think, drive us to take action and inspire lasting change. For the last 36 years, Truman Heartland Community Foundation (THCF) has made it our mission to improve the lives of the people within our community. We’ve done this by connecting money and resources to those who need them most. We owe a great deal of our success to the continued support of philanthropic individuals and our community volunteers. Without your generosity, Truman Heartland would not be in the position we are today.

Since our start in 1982, THCF continues to be a leader in philanthropic giving. This past year we surpassed \$7 million in annual contributions, have more than 700 active funds at the Foundation (including 48 new funds opened in 2018) and have assets at \$43.9 million.

The strength of our community’s financial future continues to be guided by the Heartland Legacy Society. In 2018, 15 donors chose to leave a lasting impact by including THCF in their estate plans, bringing the total number of Legacy Society members to 147.

Thanks to the generosity of donors like you, we were able to distribute a total of \$4.4 million in grants and scholarships in 2018. This spring, we had the honor of awarding \$287,000 in scholarships to 218 local students. This fall, we awarded 63 grants totaling more than \$347,000 to area nonprofits through our competitive grants program.

As our assets have grown since 1982, so has our desire and capacity to be a catalyst for positive change in our communities. Our local initiatives aim to increase engagement, introduce the next generation to charitable giving, and bring people together to promote collaboration and make the community stronger for the future.

We have the pleasure of working with the next generation of philanthropic leaders through our Youth Advisory Council (YAC). YAC membership has grown to more than 190 students annually from 13 area high schools. In 2018, the YAC endowment reached more than \$70,000 and the students granted \$4,010 to 15 different nonprofit organizations.

This year, Truman Heartland received the Regional Leadership Award from Mid-America Regional Council for our work with the Community For All Ages Coalition. We are proud of the progress the Coalition has made in the last 7 years developing new resources and exploring strategies for identifying and tackling community needs.

All of the things we’ve done this year and all of the things we have planned for the future would not be possible without the support of our donors, volunteers, Board and Advisory Board members. Your story is at the heart of our purpose and on behalf of THCF, I thank you for your contributions and service in 2018.

It has been an honor to serve as Chair of the Board and I look forward to staying involved with THCF and seeing all we can accomplish. Together, our stories are stronger here at your Community Foundation.

## 2018 Youth Advisory Council

YAC students gain hands-on experience in fundraising, volunteering and grantmaking.

Introducing new generations to charitable giving is a key building block for the future. The Youth Advisory Council (YAC) includes 190 students from 13 Eastern Jackson County high schools. From promoting and selling tickets to their annual fundraiser **Strike in the Night**, to collecting food donations for local food pantries, YAC students learn how rewarding community service can be. Through the process of grant review and distribution of funds from the YAC endowment, they also see the real impact of their work on lives and communities.

# Community For All Ages Coalition

By 2020, one in five in our community will be over age 65 as 500 Boomers each month reach the age of 65 in our Eastern Jackson County area. In 2018, our Community for All Ages Coalition continued its commitment to working collaboratively and proactively with our community to prepare for the challenges and opportunities created by the shifting demographics.

More than 2,000 area volunteers have created a profile on the Get Connected website. More information is available at <http://www.thcf.org/Boomers-Get-Connected>

## Civic Engagement

- We partnered with the United Way on our **Boomers Get Connected** initiative. The Boomers Get Connected website provides a free online tool to match prospective volunteers and volunteer opportunities in our communities.
- We provided **scholarships for 18 staff from 15 organizations** to attend Nonprofit Connect's Volunteer Management Institute and learn best practices in volunteer management. This was made possible by the generous support of THCF fundholders and contributions to our Civic Leadership Fund.
- We helped bring MARC's Aging Mastery Program® (AMP) to our region. AMP offers older adults a comprehensive and fun approach to living with sessions focused on health, finances, community engagement and more. We partnered with 4 organizations in Eastern Jackson County to deliver five programs to 64 older adults in our community.

## Older Adult Mobility/Transportation

- We provided a forum for local city leaders to plan for transportation for older adults when they are no longer able to drive or do not wish to drive.
- We represent Eastern Jackson County on the **Mobility Advisory Committee** (MARC and the KCATA joint committee) which makes recommendations on federal grant requests for transportation services for older adults and people with disabilities.

# Building a Community for All Ages

2018 MARC Leadership Award Honorees

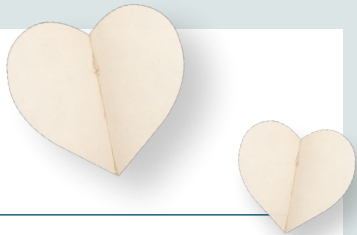

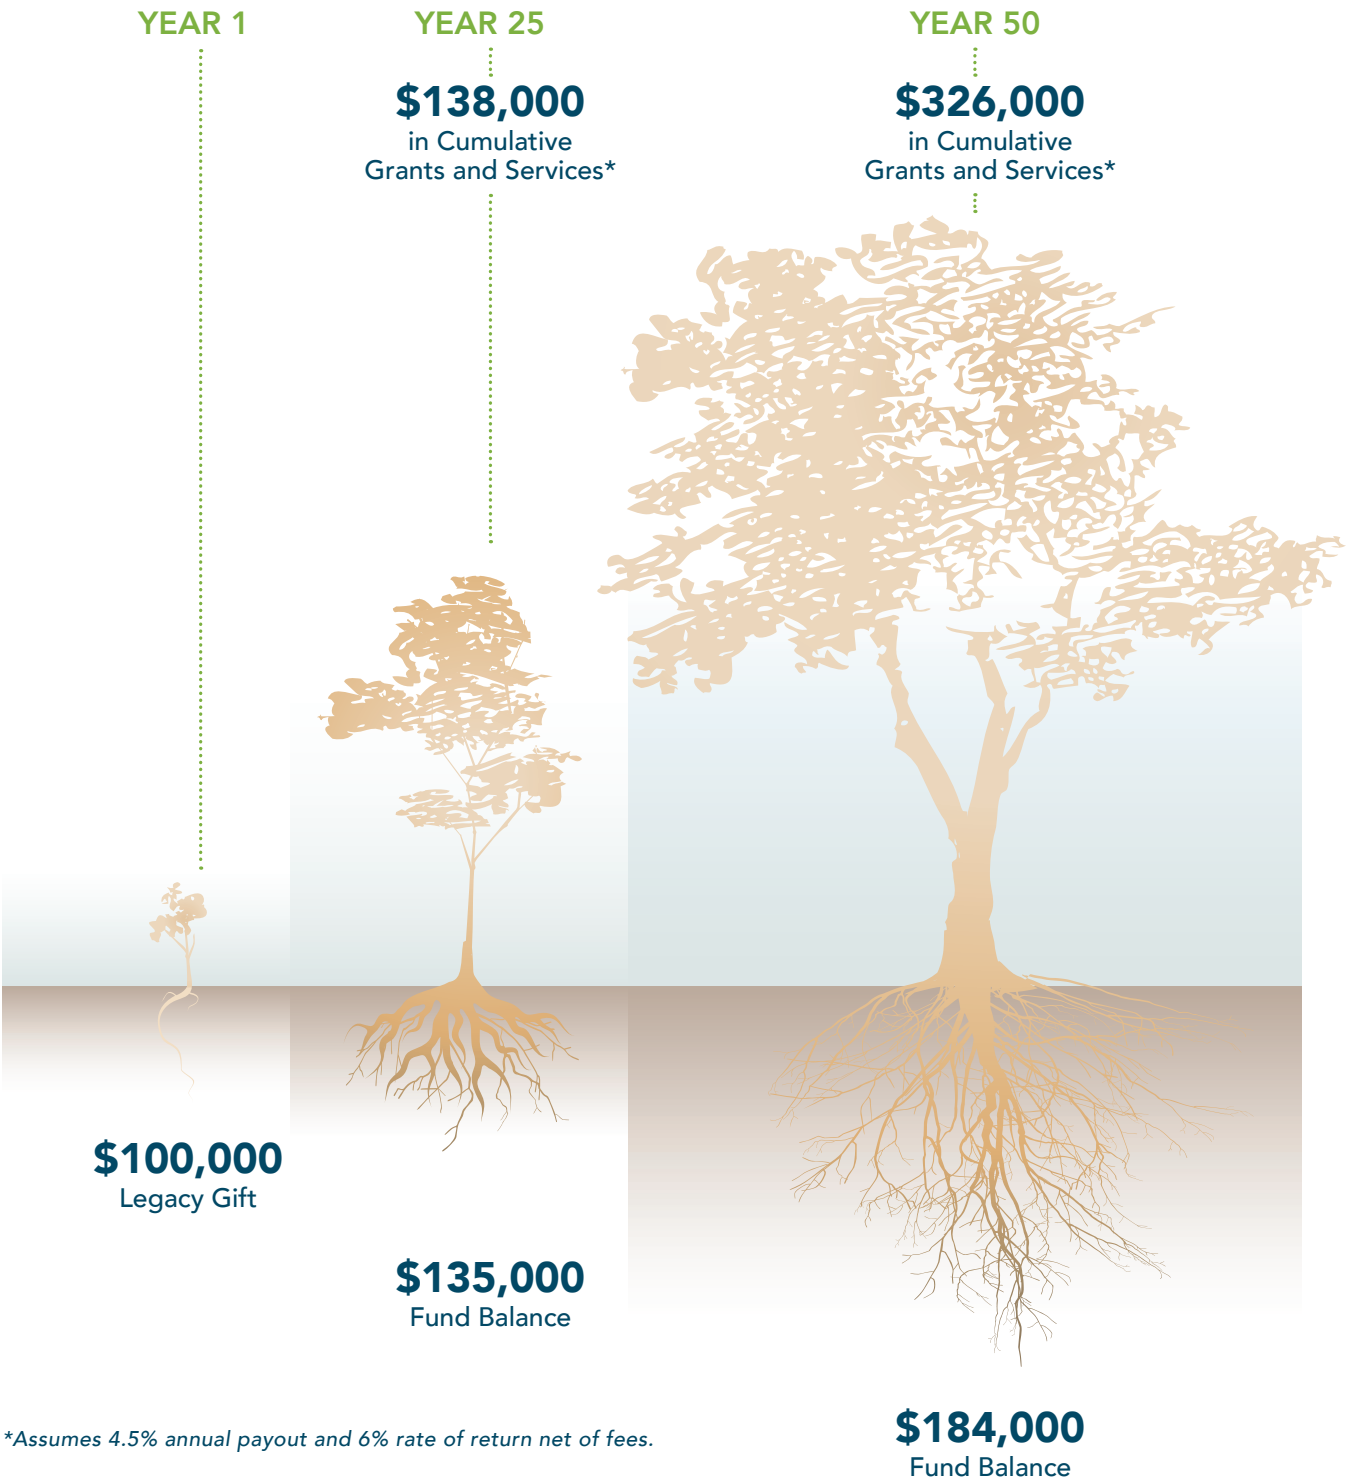

THCF received the **Regional Leadership Award** from Mid-America Regional Council (MARC) for our work with the Community For All Ages Coalition. We are proud of the progress the Coalition has made in the last seven years. Collectively, the Coalition has engaged more than 60 members from different sectors to develop new resources and explore strategies for identifying and tackling the needs of our community.

## Tristen Caudle

**Scholarship Recipient/Youth Advisory Council Alumni/UMKC MA in Economics, '18**

"Outside of the financial benefits, the scholarship brought a rewarding and valuable relationship. That relationship has helped me develop more holistically. That mentorship and the intangible value of a scholarship has made a big difference in my life and allowed me to be a better student and a better person."
